New Cambria Suites Slated For Atlanta Airport

Cambria Suites Hotels offers large rooms, a fitness center, a 24-hour store, and more.

In mid-2007, construction will begin for a new Cambria Suites hotel near Hartsfield/Jackson International Airport in Atlanta. Franchisor Choice Hotels International and developers CQ Capital Partners have agreed to build the 140-room, all-suite hotel less than a quarter-mile from the airport.

The upscale Choice Hotels brand offers rooms that are 25% larger than standard hotel rooms, with flat-panel televisions, MP3 jacks, and CD/DVD players. Complimentary wired and wireless high-speed Internet access is also available. The Cambria brand uses a standard design for guest amenities and hotel features. Refresh, the hotel lounge, offers a barista bar. Refresh is the fitness center that has an

indoor pool and hot tub, and Refill is the hotel's 24-hour store. All Cambria Suites also offer at least 1,000 square feet of meeting space.

Choice Hotels recently announced additional Cambria Suites for locations across the United States, including Omaha, Neb.; Birmingham, Ala.; and Savannah, Ga.
